Dear Andy,

On behalf of all of us at Hearing Dogs I should be grateful if you would pass on my thanks to everyone at Wycombe Heights Golf Club (Seniors) for choosing Hearing Dogs as Charity of the year. A special thank you to you as Captain for nominating us and for so much time and effort into the fundraising activities throughout the year.

The £10,000 raised was an amazing achievement and I will look forward to meeting the lovely puppy that you will get to name.

Your special gift will help us place more dogs to help more deaf people like William who has hearing dog Archie. William has been deaf since birth and was partnered with Archie in 2013 when he was 55. William says he would be very lonely when he was out and about without Archie as people stop to ask questions and start a conversation. Archie has also saved William's life by alerting him to the smoke alarm when something in the kitchen was on fire. William says that Archie uses his ears for him and he is now part of his deafness identity and security

Thank you for your support and helping us to continue the valuable work of Hearing Dogs.

Yours sincerely
