Bisque Bogey Par

FORMAT: Individual Bogey/Par scoring (see below)

TEES: Yellow

HANDICAP: Full

PRIZES: Winner

Method of Scoring in Bogey/Par:

Record the gross score for each scoring hole, and then:

Score a Minus (-) for 1 OVER NET PAR (Net Bogey) or WORSE

Score a Zero (0) for a NET PAR

Score a Plus (+) for 1 UNDER NET PAR (Net Birdie) OR BETTER

Please pick up when your strokes equal a NET BOGEY SCORE

The Extra Twist in BISQUE Bogey/Par:

You have to select which holes to take your shots (handicap allowance) on.

The Stroke Index is irrelevant.

When you have played a hole, you tell your card marker how many shots (if any) you wish to take on that hole. You MUST agree the resulting Bogey/Par score with him before you take your next tee shot.

At the end of the game

Count the number of PLUS scores, and subtract the number of MINUS scores.

The Winner is the player with the highest arithmetic score.

Chinese Greensome

FORMAT: PAIRS STROKE PLAY.

Both players drive on every Hole. FOR THEIR SECOND SHOT THEY PLAY THIER PARTNERS BALL.

They then select the ball to play and the other ball is picked up. If player 'B's ball is selected to play, then player 'B' will play the next shot and if player 'A's ball selected he plays the next hot.

Therefore the sequence is 'A' – 'B' – 'A' or 'B' – 'A' – 'B'.

Play then proceeds on an alternate basis until the hole is completed. Total the number of strokes for the team for each hole.

Penalty shots do not affect the order of play.

At the end, total the strokes, and subtract the handicap allowance from the total.

HANDICAP: 3/8 AGGREGATE HANDICAP.

PRIZES: WINNING TEAM ONLY

FORMAT: INDIVIDUAL STABLEFORD

Played in TEAMS OF THREE

ONLY ONE CARD is required (use three columns + team score).

Record Gross scores and Stableford points as follows:

First 6 holes: any ONE score to count towards the team score.

Second 6 holes: any TWO scores to count towards the team score.

Last 6 holes: ALL THREE scores to count towards the team score. Par is 72

Stableford Multiplier

FORMAT: Team of 4 Stableford

TEES: YELLOW

HANDICAP: Full

PRIZES: WINNERS AND RUNNERS UP

PLAYING INSTRUCTIONS:

This is a tough one where you must rely on your partners to score.

1. Players play as a 4 - ball each Hole and score stableford points
2. The lowest individual score is discarded.
3. The points scored by each of the 3 remaining players are multiplied together to get the team score.
4. Scores can be very good if you get 3 points each as $3 \times 3 \times 3$ is 27 points for the hole.

5. However be aware if one member of the team does not score and the others get Birdies 4 points that $4 \times 4 \times 0$, is 0.

6. Where there are only 3 players in a team because of a NO SHOW or withdrawal, the game can still be played but ALL scores are multiplied.

This format has been tested and the game is very popular because of some massive swings of fortune. You might think scoring is high but typically the winning team score will be in the 116 - 127

Stableford/Putter

FORMAT: Individual Stableford/Putter

TEES: YELLOW

HANDICAP: Full

PRIZES: WINNER AND RUNNER UP

PLAYING INSTRUCTIONS:

This competition is designed to measure your short game and putting skills. Half your shots will be ON or AROUND the Green, therefore it is your management around the Green which will improve your game.

This is a game the Pro's play with themselves around practice greens in preparation for a round.

1. You score the stableford points you score on each hole as per a normal stableford game.
2. You record the number of Putts you take per Hole.
3. At the end of your round you subtract the total number of Putts from your Stableford score to get your game score, which may be negative or positive.
4. The Highest score wins.

NOTES:

A Putt is any Putting stroke taken on the GREEN, the use of irons etc is not allowed.

Use of the Putter off the Green is permissible but the shots are not classified as Putts.

The fringes of the Greens count as being OFF the Green.

If for some reason you do not complete a Hole then the score is 3 PUTTS for that hole.

Stableford with Mulligans

1. This is a competition for charity. There is no standard competition entry fee but players are invited to make a contribution to the Captain's charity.
 2. In addition, when signing in, players may purchase up to 3 mulligans for £1 each with these monies also going to charity.
 3. One mulligan gives a player the opportunity to replay one shot of his choice during the round with no penalty. For instance, a mulligan might be used to replay an errant drive or to replay a putt for a 2 which missed the hole. So someone purchasing the maximum 3 mulligans can replay 3 shots during the round for no penalty.
 4. Whenever a mulligan is used an asterisk must be marked on the player's card against his score for that hole. If 2 mulligans are used on the same hole, then put 2 asterisks.
